

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 1483 – SB 1888**

January 29, 2018

**SUMMARY OF BILL:** Requires any cosmetologist, aesthetician, manicurist, natural hair stylist, master barber, barber instructor, technicians, barber shop, barber school or college to complete five hours of continuing education biannually and provide proof of satisfaction in meeting continuing education requirements when renewing a certificate of registration or license. Requires the Board of Cosmetology and Barber Examiners (BCBE) to determine the curriculum requirements and authorizes the BCBE to periodically revise such curriculum.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Pursuant to Tenn. Code Ann. § 62-3-129(a)(5), any master barber, barber instructor, technicians, barber shop, barber school or college may renew the certificate of registration upon the payment of a specified fee.
- Pursuant to Tenn. Code Ann. § 62-4-117(b), any cosmetologist, aesthetician, manicurist, natural hair stylist or instructor may renew their license upon submission of the prescribed form and fee.
- This legislation would create a new requirement for any cosmetologist, aesthetician, manicurist, natural hair stylist, master barber, barber instructor, technicians, barber shop, barber school or college to complete five hours of continuing education in addition to the aforementioned fees prior to renewal of a license or certificate of registration.
- Any change in the number of licenses issued is estimated to be not significant because the anticipated biennial cost incurred per licensee to complete the five hours of continuing education will not be cost prohibitive relative to the annual incomes of licensees.
- The BCBE can promulgate any necessary rules during regularly-scheduled Board meetings at no additional cost.
- This legislation will have no significant impact on the current responsibilities of BCBE.
- Pursuant to Tenn. Code Ann. § 4-29-121, all regulatory boards are required to be self-supporting over any two- year period. The BCBE experienced a deficit of \$163,666 in FY15-16, a surplus of \$50,787 in FY16-17, and had a cumulative reserve balance of \$281,620 on June 30, 2017.
- For purposes of promulgating rules, this act shall take effect upon becoming a law, the public welfare requiring it. For all other purposes, this act shall take effect July 1, 2018,

**HB 1483 – SB 1888**

the public welfare requiring it, and shall apply to certificates of registration and license renewals occurring on or after July 1, 2020.

**IMPACT TO COMMERCE:**

**NOT SIGNIFICANT**

Assumption:

- Companies that provide continuing education courses will experience an increase in revenue equal to the expense paid by licensees; therefore, the net impact to commerce or jobs in Tennessee is estimated to be not significant.
